

North Western Sydney Growth Corridor – Build your Practice Quickly

- **Clinical Independence**
- **DWS**
- **Less than half an hour from most North Shore suburbs & schools**
- **Flexible arrangements with strong financial rewards**

The Opportunity

This is an outstanding opportunity for a GP looking to build their practice quickly in a supportive and progressive environment. This soon to be opened Medical Centre is perfectly place within a Sydney growth corridor.

We have multiple positions for General Practitioners offering flexibility in work arrangements and financial rewards. As a DWS, both VR & non-VR (temporary residents only) are welcome to apply

Located in Sydney's newest large-format retail precinct and homemaker centre your practice will benefit from the exposure to customers of IKEA, Bunnings, Lindt Factory and soon to arrive Costco. With thousands of homes under construction and neighbouring university, your new practice will serve to meet growing patient demand.

The Company

Cornerstone Health will increase access for all Australians to high quality, affordable and comprehensive healthcare through **Our Medical Home**, a network of state of the art medical centres.

Our vision is to establish a network where engaged and empowered healthcare professionals meet the healthcare needs of patients.

Our Medical Home locations will be open 365 days a year from 7.00am to 10.00pm and provide patients with community based access to GPs, specialists, dentists, physiotherapists and allied healthcare providers supported by onsite x-ray, ultrasound, CT, pharmacy and pathology testing.

Whilst Cornerstone Health is a new company our management team has decades of broad healthcare experience and will support you through the management of all administration. You focus on high quality healthcare and great work/life balance.
