

Enjoy the Lifestyle and Build your Practice

- Clinical independence
- Well established mixed billing practice
- Suitable for procedural GPs
- Outstanding South Coast lifestyle

The Opportunity

This is your chance to join the friendly and supportive team of a well-established mixed billing practice. This practice has room for growth and with on-site treatment and procedure rooms would suit a procedural GP.

Education and training support is very important to the team, as their close affiliation with University of Wollongong demonstrates. The excellent facilities nurture an environment of continual improvement in a collegial environment.

Milton, located on the South Coast of NSW, is an in demand location for tree changers, sea changers and retirees. It is a picturesque town with easy access to both Sydney and Canberra. Take a weekend to discover its appeal.

The Company

Cornerstone Health will increase access for all Australians to high quality, affordable and comprehensive healthcare through **Our Medical Home**, a network of state of the art medical centres.

Our vision is to establish a network where engaged and empowered healthcare professionals meet the healthcare needs of patients.

Our Medical Home locations will be open 365 days a year from 7.00am to 10.00pm and provide patients with community based access to GPs, specialists, dentists, physiotherapists and allied healthcare providers supported by onsite x-ray, ultrasound, CT, pharmacy and pathology testing.

Whilst Cornerstone Health is a new company our management team has decades of broad healthcare experience and will support you through the management of all administration. You focus on high quality healthcare and great work/life balance.
